day and night The earth sings of prom - ise day and night.
seen and un - seen The earth sings of prom - ise seen and un - seen.

3. When spring comes again and we are assured
That truth lives on in deed and word
The green shoots arise, and bird songs do ring
The earth sings of promise winter and spring
The earth sings of promise winter and spring.

4. So keep back despair if it should arise
New life returns to oceans and skies
We may choose faith, we can and we do
The earth sings of promise, we will sing, too
The earth sings of promise we must sing, too.
